

ISBN 978-85-63274-02-4

A large, stylized graphic of a green leaf, composed of several overlapping, semi-transparent layers of varying shades of green. The leaf is oriented vertically, with its tip pointing upwards and its base pointing downwards. The layers create a sense of depth and movement, as if the leaf is being formed or is in the process of growing.

International Conference on Food and Agriculture Applications of Nanotechnologies
